MEMORANDUM FOR: Chief, Plans & Development Staff

SUBJECT : Operations Training Task Force

REFERENCE : Memorandum, dated 7 May 1974, Subject: Operations
Training Task Force

The [REDACTED] concurs in the establishment of a Task Force to review operations training. However, I believe the Task Force will be more effective if it is augmented by one person from this Station who is intimately aware of the details involved in the management of operations training. Since neither [REDACTED] fall in this category, I suggest that [REDACTED] be added to the Task Force.
